TO SHOW CAUSE RE PRELIMINARY  
INJUNCTION**

On January 7, 2008, Plaintiff Wilson & Cousins Division of Palamar Industries, Inc. ("W&C") commenced this action alleging trademark infringement and other claims against defendant. W&C contemporaneously filed therewith an application for a temporary restraining order ("TRO") and order to show cause why a preliminary injunction should not issue. On January 7, 2008, the Court entered an order setting a briefing schedule and a

STIPULATION AND [PROPOSED] ORDER RE PLAINTIFF'S APPLICATION FOR TRO AND ORDER TO  
SHOW CAUSE RE PRELIMINARY INJUNCTION

1 hearing on the TRO for January 23, 2008 at 9:00 a.m. The parties have conferred and agreed  
2 to enter this stipulation and proposed order.

3 W&C and Defendant T. Christy Enterprises, Inc. hereby stipulate and agree that T.  
4 Christy Enterprises, Inc., its officers, agents, servants, employees, and attorneys, and all  
5 persons in active concert and privity with them, who receive actual notice of this order ("T.  
6 Christy"), are hereby temporarily enjoined, pending decision on the order to show cause  
7 referenced below in Paragraph 3, as follows:

8 1. T. Christy shall not sell or distribute any check valve or hose nozzle products  
9 that feature the UL or ULC Listing Mark Control Number 27GH, any other UL or ULC  
10 Listing Mark Control Number assigned by UL or ULC to W&C, the W&C model numbers  
11 IE144T, IE144G and HNL-206T, or any check valve trade dress that is confusingly similar to  
12 W&C's check valve trade dress<sup>1</sup>, unless those products are manufactured or authorized by  
13 W&C; and

14 2. T. Christy shall not display or depict any W&C product, the W&C model  
15 numbers IE144T, IE144G and HNL-206T, the W&C trademark known as the W&C Helmet  
16 Mark, a copy of which is reproduced below, the W&C check valve trade dress, or any  
17 confusingly similar trademark or trade dress, in its catalog, on its website, or in any  
18 advertising or promotional materials in order to sell or distribute products not manufactured or  
19 authorized by W&C.

20  
21  
22  
23  
24 <sup>1</sup> The W&C check valve trade dress is defined for purposes of this order as the combination of  
25 the following elements: "UL" and "ULC" marks, placed side by side toward the top of the  
26 valve; followed underneath by the upper-case characters "LISTED", the product control  
27 number "27GH," and the term "CHECK VALVE"; towards the bottom of the valve, a Factory  
28 Mutual approval mark, namely, a diamond symbol encasing the letters "FM", and an  
uppercase letter "S" placed directly to its right; rotating the valve 180 degrees, the display of a  
directional water flow arrow with the number "4" placed immediately to the right of the  
arrow; and directly underneath those symbols, the characters "300 LB," the characters  
"IE144T" or "IE144G"; and the year of manufacture (e.g., "06").

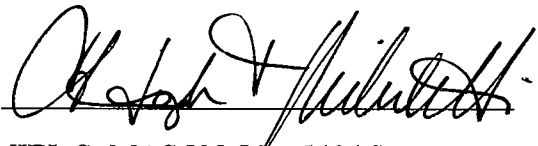

To provide the parties with an opportunity to reach a final settlement of this matter, W&C and T. Christy further stipulate, subject to the approval of the Court, that:

3. The January 23, 2008 hearing on W&C's Motion for a Temporary Restraining Order is hereby vacated. A hearing on an order to show cause why a preliminary injunction should not issue is set for February 27, 2008, at 9:00 a.m., or at such other time as may be set by the Court. Any opposition by T. Christy shall be filed and served no later than 14 calendar days before the hearing date, and any reply by W&C shall be filed and served no later than 7 calendar days before the hearing.

4. This stipulation shall be without prejudice to the parties' respective positions on the merits of this action, including without limitation the parties' respective positions on the order to show cause why a preliminary injunction should not issue.
